For more information feel free to Contact Roger at roger@cipdsupportgroup.org or (309)219-1210

Pedal for Parkinson's was held on November 4th, Ahmad El Kouzi, MD., Bill Bucklew, and Mitchell Forrest all gave great talks and I'm sure provided very good information to those in attendance. Our vendors were there and had lots of hand outs and information. We even had a chance to wish Rich a Happy 75th Birthday on the actual day.

We had a good spread of food including Avanti's gondolas

Funds raised at this event allow us to do events like the Baseball game and PD Camp and keep the cost down to our members. It also provides funds to make sure we can continue to help educate the public and provide support in the Parkinson's community. It is not to late to donate.

Donation can be made here

https://www.paypal.com/donate/?hosted_button_id=D3AAMQLY7WVS2

Changes for this event will be coming, if you have ideas, please contact us. The date for Next year's event will be November 2, 2024 Please mark this date on your calendar.

Chair at the meeting room, OSF Health Care has modified 15 of the chairs in our meeting room. These chairs have armrest and the wheels have been removed and solid feet added. The chair should make it safer for some people that need a little more support during our meetings.

These chairs will be stacked along the wall in the room, and we are asked to put them back if we use them. Should you feel safe sitting in one of these chairs please feel free to ask for help.

Giving Tuesday is coming, I know everyone out there is asking for donations for Giving Tuesday, and we just came off of Pedal for Parkinson's so it seems redundant to be asking again, but every dollar that we get donated helps provide programming at our meetings, and reduced rate at camp and our annual picnic at the Ballpark. This year our giving Tuesday is running through Facebook please follow this link to donate or to share it with your friends, remember every dollar helps and by going through Facebook we have no fees if you donate a dollar we get the full dollar.
