42 Members enjoyed a good lunch at Avanti's for our annual Christmas lunch, there is always great fellowship and good food. It's a great way to take a little break from the Holidays stress.

This month for the meeting we will have an open discussion on anything related to Parkinson's. We will also talk about what we want to see happen in the support group this coming year, so even though we don't have a educational program please join us, if you can't please use the information below to contact us and give us your ideas.

For more information on the Central Illinois Parkinson's Support Group please reach out to us at, (309) 219-1210 or <http://contact@cipdsupportgroup.org/>
